## #FindBiscuit

Mayor Bowser was reunited with Regan Turner, a 7 year old D.C. resident that who lost her dog “Biscuit”. #FindBiscuit was a trending hashtag on Twitter. Mayor Bowser and MPD assisted in the effort to find Biscuit by spreading the word. The security camera on their home captured footage of Biscuit. This was all possible because of the Private Security Camera Incentive Program that Mayor Bowser launched two years ago.

Mayor Bowser identifies a sidewalk that is in need of repair. Although, the roots have overgrown and a regular cement sidewalk would not be preferable. DDOT makes the recommendation for a flexi-pave sidewalk.
