On street parking from Tire shop blocking traffic, causing backups at already congested NHB/295 interchange. Blocks emergency vehicles.	1015 Kenilworth Ave	MPD DDOT		Open
People drive out into the intersection blocking lanes and ongoing traffic trying to make a light. And the big elephant is the traffic in general at the very same section. When there is a backup, cars still come through the area and block traffic. It's like they don't care that people live here and that these are two lane roads.	Kenilworth Ave/ Nannie Helen Borroughs Intersection	DDOT		Open
Foote street is dark and isolated. Residents don't feel safe.	Foote Street	DDOT		Open
Potential sinkhole at corner of Barnes and Foote	600 Barnes NE	DDOT		Open
Street is riddled with potholes, heavily damaged. The Barnes/Cassell intersection is in especially bad shape.	Barnes and Cassell, 700 Block of Barnes adjacent to Chavez	DDOT		Open

The area was looking super shabby with lots of trash around even on the pedestrian bridge to the metro. I think it was actually the worst I had seen it in recent months. In addition to keeping our neighborhoods clean, I wonder if the city would be able to assist us with posters or notices that explain the fines for littering to try to deter those who throw trash onto the streets and sidewalks?	Minnesota Ave Metro Station	WMATA		Open
There is only one way into the Parkside neighborhood	Parkside	DDOT		Open
Construction apparatus from sites often parked on street after hours. Prevents residents from using the space.	3700 Blk of Roosevelt, 700 Block of Barnes	DCRA		Open
